Κάθε δημιουργία είναι τὸ ξεκίνημα γιὰ μιὰ καινούργια προσπάθεια γιὰ τὸ καλλίτερο. Ποθοῦμε νὰ φτάσουμε ἐκεῖ πὺν ὀρθώνονται τὰ ἰνδάλματα καὶ τὰ ἰδανικά μας, ἐκεῖ πὺν θαρροῦμε πὺς εἶναι τὸ τέλειο.
Ὁ χρόνος πὺν κυλᾷ ἀφήνοντας τὰ σημάδια του θὰ δείξη τί πετύχαμε
Ἐδῶ μέσα βρίσκεται τώρα ἡ ζωὴ μας· αὐριο θᾶναι τὸ πρῶτο ξύπνημα στὴ ζωὴ

Anatolia Players

Advisors : Mr. G. Draper
Mr. E. Sather

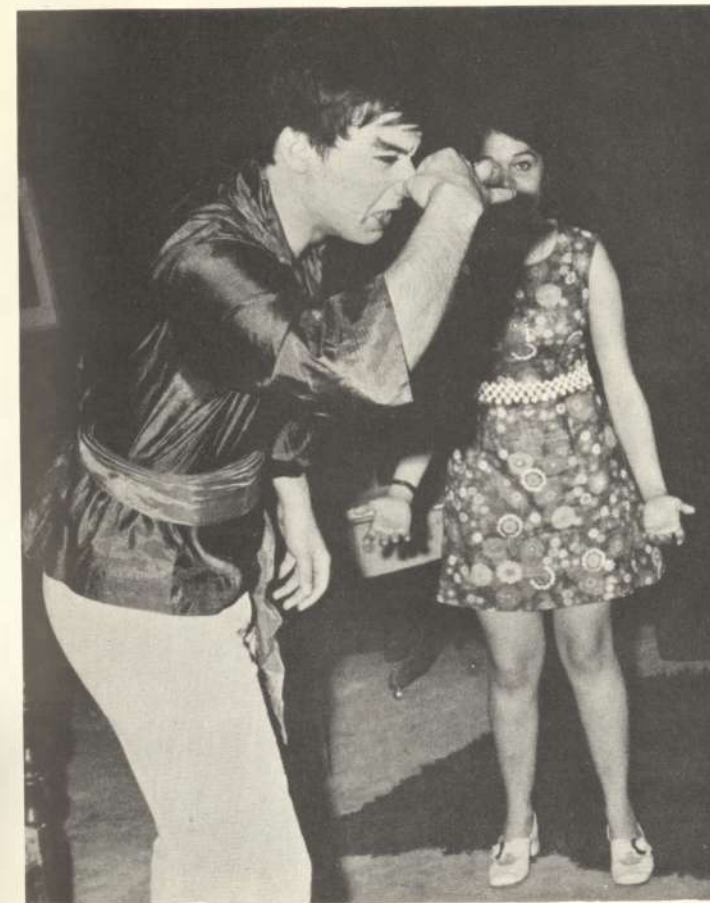

Agapi Svolou and Rena Ringa are
getting ready for the performance

As advisors of «Anatolia Players» Mr. George Draper and Mr. Edgar Sather tried to stimulate interest in the theater as an avocation. They gave students practice in all the facets of the theater, acting, producing, lighting and direction. The climax of the year for drama students was April 7 and 8, dates of the production «You Can't Take It With You». Direction stage setting and music were all handled completely by students with the help of the advisors, Miss Luise DiCerbo and Mrs. Sarlotte Draper.

Chorale

After Mr. Pappa's death Lazaros Delidimos conducted our chorale for a little while.

Presidents: Marilie Gazi, John Chsistodoulides.

Our chorale is one of the most active clubs in school. It started 21 years ago with Mr. Warren Benson as it's first conductor. Mr. Tasos Pappas worked with it from 1955 - 1970. The hard efforts and the frequent rehearsals made it a very good choir. It gave many succesful concerts in Kavalla, Kastoria, Florina, Kozani, Volos, Komotini as well as in Thessaloniki.

This year with Mr. Kontogeorgiou as it's conductor, organized the 2nd meeting of youth chorales which also was a great sucess.

Arcaeology Club

Advisor: Mr. N. Papahatjis

This year the members of the Arcaeology Club had the opportunity to hear some lessons about the most important excavations at Greek places since the end of last century and also about the activities and organization of the Greek Arcaeology Institute and the foreign Arcaeology Institutes which are established in Greece. They also became familiar to the way by which the arcaeologists manage to read the way of writting which is called «Grammiki B» and they learned to use this writting's vocalic marks.

Automobile Club

Advisor: Mr. N. Papageorgiou
President: Sofia Tomboulidou

The purpose of the Club: We study automobile as engine and as moving vehicle.

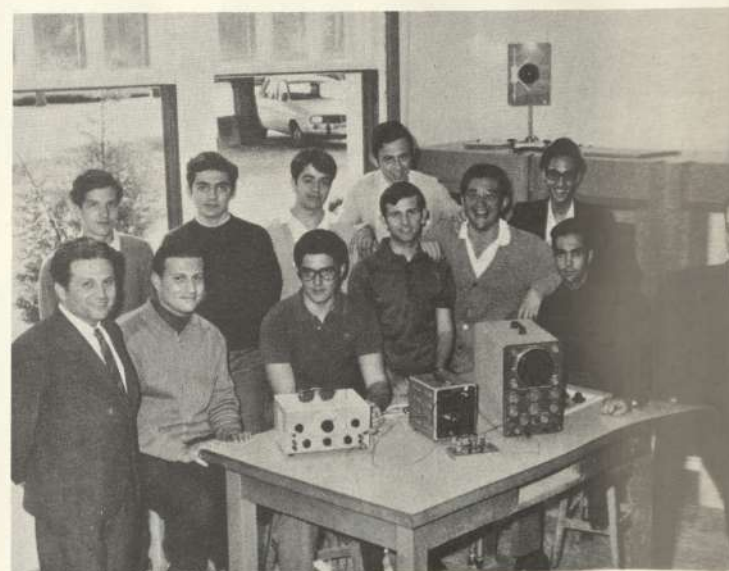

From automobiles' mechanics we examine the main parts of its function.

As a moving vehicle we examine the rules of automobiles' circulation and the basic rules which must drivers and walkers know.

Advanced Laboratory Club

Advisors :
Mr. D. Karademos
Mr. S. Pentedecas
Mr. L. Fillipides

The Science Department consecrated before four years an afternoon of voluntary and chosen laboratory work every week for the boys and girls of the upper forms and which was named «Advanced Work Laboratory» (A.W.L.). The purpose of that laboratory work is to bring the students closer to the attainments, problems, methods and means of search in Physics and Chemistry and modern Technology. A.W.L. is divided into the physics department which had great development in Electronics (Advisors during the last year Mr. S. Pentedecas, Mr. L. Fillipides), and into the Chemistry department (Advisor Mr. D. Karademos, head of the School's Physics Department). A.W.L. continuously equipped with more perfect laboratory means thanks the eager moral and economical assistance of the School's Administration.

Campus Outlook

Advisor : Miss Mc Govern

Campus Out Look this year presented issues with interviews from teachers and students, with the help of the school printer Christos Simeonides, his assistant John Tsiliones and the school photographer Stefanos Repelas. Executive Editor this year was Mark Tius.

Associate editor E. Kehaya presents a certificate for prizes to George Nomikos (3c) and Avra Pantelidou (5c), the winners of CO photo contest while executive editor Mark Tius looks on.

Boys' Athletic Association

Advisor : Mr. Antonis Doucas
 Mr. George Kasapidis
 President : Kostas Zahariadis

The purpose

1. The advancement, development and spreading of all athletics to the students.
2. The carrying of the internal championship of the classes.
3. The faithful application of the rules of different athletics according to the International rules.
4. The spreading and maintenance of the principles of Olympic spirit between the students.

Girls' Athletic Association

Advisors : Miss Rena Christodouloupoulou
 'Miss Aristi Leonidou
 President : Lena Katsouli

The purpose of the Girls' Athletic Association is the advancement, development and spreading of athletics according to the International rules and mainly to the cultivation of the Olympic Spirit and noble competition, to all the girls of the school. The Association seeks these purposes by organizing teams, games, cultivating interest track contests, e.t.c.

This year part of the Association's activities were:
 The organization of Sports' Week during November.
 The internal championships of a and b category.
 The internal championships of track contests.
 Participation to the Olympic diploma.
 Participation to the European Athletic diploma.
 Participation to the championship of the city games.
 Participation to the circular track contests.

Chess Club

Advisor: Mr. F. Paraskevas

The chess club during the school year 1970-71 continued its activities with new advisor. Two important manifestations was not possible to leave the club indifferent. The first one was the Schools' Championship during «Dimitria» and the second the meeting with Athens

College. The Club's perspectives for next year, will be directed into two ways: the using of its now members as instructors of the beginners and to the organization of the internal championship for all the school classes with a memorial prize which will be given from the advisor.

Cinema Club

Advisor: Mr. A. Naoum
President: Salvatore Kounio

Boys and girls from the upper forms meet every Tuesday to discuss the interesting films of the week. Adviser Mr. Anastasios Naoum also gives background to the students on technical points such as position and movement of the cameras, montage and deconpage, as well as history of the cinema. Occasionally films are projected.

Hellenik Literature Club

Advisor: Mr. Vaios Baglanis

The Hellenik Literature Club covered an interesting program this year. There have been discussions about modern poetry and prose writting and also about modern theater. The discussions were accompanied by representative texts.

Part of the club's activities was the «assembly» during which the selected poet, journalist, and philologist Mr. G. Themelis presented his poetry, recited his poems and answerd to the club's advisor's questions which were about the present and the future of poetry.

Jazz Club

Advisor: Mr. Peter Fay

The purpose of the Jazz Club is to show Anatolia students that America has developed a folk art, Black Jazz, which is in fact its only unique contribution to world culture. (All other American contributions - social, political, and artistic - have been borrowed from European sources). The Club studies the history of Jazz from its beginnings in New Orleans to its present day expression, «Soul» music, in New York and Los Angeles, through records. These are played and discussed every week at the advisor's home.

Christian Efforts Club

Advisor : Mr. K. Nouskas
President : Marianna Nicolaidou

Christian Efforts Club works to aid the community. It tries to reach this goal by organizing the annual Bazaar and using the profits for philanthropy. It sponsors local orphanages and helps poor people.

Welfare Club

Advisor : Mr. V. Papaconstantinou
President : Theofrastou

Welfare club is the club of the boys who placed as a purpose the realization of the Cristian ideal of Love into our society. As the corresponding girls' club, the boys participate at the Bazaar preparations, which profits constitute the economical base of the club. At the same time the boys help economically or by any other way (recreation, sympathy e.t.c.) the poorer establishments, villages or families.

Debate Club

Advisor : Miss Louise Di Cerbo

The club is for the students who want to create oral self-expression through debate. The club's main topic this year was «Does the enviroment create an animal?» and many others.

Science Club

Advisor : Mr. V. Panayiotidis
President : Filitsa Sakelaridou

The purpose of the Sience club is to give to the students a chance to discuss chapters of Physics, which were not taught in class.

Electronics Club

Advisor : Mr. Michael Terzides
President : J. Notaras

The Electronics Club has a purpose to orientate as possible his members about Electronics. It gives simple meanings and in a simple way the basic elements of electronics. For example what is electronic tube, transistor resistor, coil.

Relying on these the members of the club try to make simple constructions as a simple amplifier, an oscilator e.t.c.

Math Club

Advisor : Mr. Adan
President : Papadopoulos

Math Club aiming to convey to the students the love of Math occupied many third formers during the school year teaching them to use the Logarithmic Rule and to deal with difficult Geometry problems. An outstanding member of the club, Aristides Papadopoulos (3A) mailed to the U. S. Math Company the solution of a geometry problem which was not solved for long.

Pottery Club

Advisor : Mrs. S. Demetriadou
President : Pipsou

Clay, soft and obidient to the hand is a pleasure to handle. It tempts you to imprint your personality on it, create forms of your own, or just get rid of the excess of your energy.

Where talent exists, the result can be a piece of

Art; but there is pleasure in all cases. This justifies the existence of Pottery club.

Lack of time compelles us to confine to this personal enjoyment only and not attempt more ambitious activities.

Photography Club

Advisor : Miss B. Williams
President : Lakis Ioannides

The purpose of the club is to make the students able to have a wider view of things through photography, by analysing, discussing and taking pictures. The club also tries to make more students get closer to photography, its technique and its psychology. Discussions were held for that purpose.

Painting Club

Advisor : Miss Teta Makri
President : H. Demetropoulos

If art as a lesson has as a purpose to teach the students to «see» the shapes and colors, to increase their skill and good taste and to initiate them at the sympolic language of Art, creating that way sensitive «receivers» of Art, the Art club has as a purpose to help those of the students who are «creators» by themselves, to find their personal expression and writting way in Art.

Oil Painting Club

Advisor : Miss Sumi Kawai

The purpose of the club is to introduce the oil medium and its basic knowledge that the student can not get in their class, and to give a chance to the talented students who have already acquired basic knowledge of painting to develop their talent much further and to commit themselves to art beyond the stage of experimentation of the medium.

Friends of The Blind

Advisor: Mr. Thanos Nicoltsos
President: D. Hatzinicolaou

The club is for students that are benevolent to blind children. This year books were typed in Braille, the blind system of reading with the fingers, and sent to the blind school's library.

Junior Library Club

Advisor: Mr. Paraskevaïdis
President: Katerina Gouvousi

Membership — Girls and Boys from Prep to Third form.
Purpose — Acquaint Students with the mechanics of the Library to act as a service group in assisting with Library work.

Biology Club

Advisor: Mr. A. Mastoroyiannis

Club is a kind of free study. It is natural that in a student may find his way. Biology club served that purpose.

Biology laboratory has modern supervising equipment which is not known from the older students. For that reason the students who participated at the Biology Club were from the three upper forms.

During the last school year we studied about the cell, D. N. A., heredity and men's evolution.

Public Relations Club

Advisor: Mr. S. Paraskevaïdis
President: L. Mouratoglou

Memberships - Students from 2nd to 6th form.
Purpose

- a) Learn College history and functions
- b) Carry out a Public Relation's program on behalf of the College while Learning basic Public Relation technics, such as
 - 1) giving tours to visitors
 - 2) sending out invitations and helping in receptions.

Penpals Club

Advisor: Miss Helen Kalaya
President: P. Vlasiadis

The purpose of this club is the exchange of ideas, postcards and objects, as well as the development of friendship and understanding among boys and girls all over the world.

The students also get acquainted with the stamps and coins of different countries with which they correspond. Films are also shown.

Every Thursday Anatolia Student Council meets with Mr. Kennedy to discuss the problems of the students and try to find their best solution.

Membership this year:

Girl's School

Yearbook Staff

The yearbook 71 aspires to present a complete and accurate picture of the annual school life. The snapshots focus on the athlete's tension, on the eagerness in extracurricular activities, on the concentration in the classroom, on the affinity of the teachers and on the small details that make the campus life beatific.

This book has its own psychology and its own ways to touch the feelings of an Anatolian.

CARNIVAL

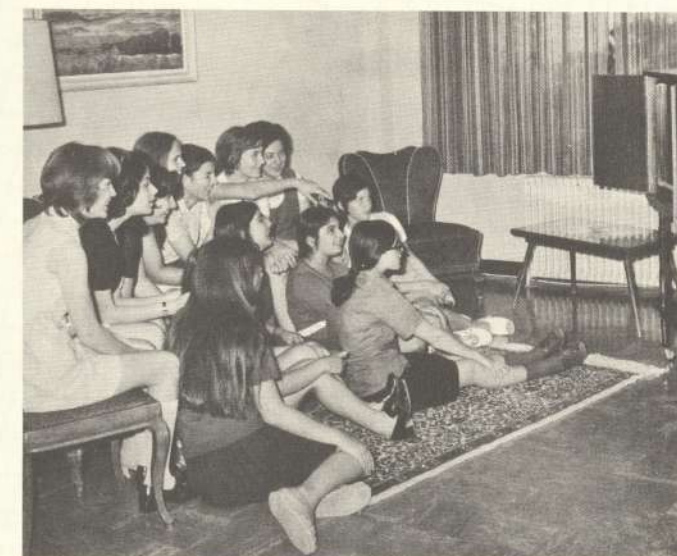

CHRISTMAS

Hey pal, it's too early to get up.

Keeping your silhouette, eh Girls.

What's on TV? Peyton Place?

Our activities included a wide range of fields from wide printing . . .

to playing tavli . . .

or giving ourselves to peaceful games...

but quite often we gave ourselves the pleasure of a little rest in the boarding infirmary...

or looking romantically out of the window at the beautiful city of Thessaloniki.

We had an extra ability in dancing

Bravo!!!

Our Idols.

Drinking is forbidden.

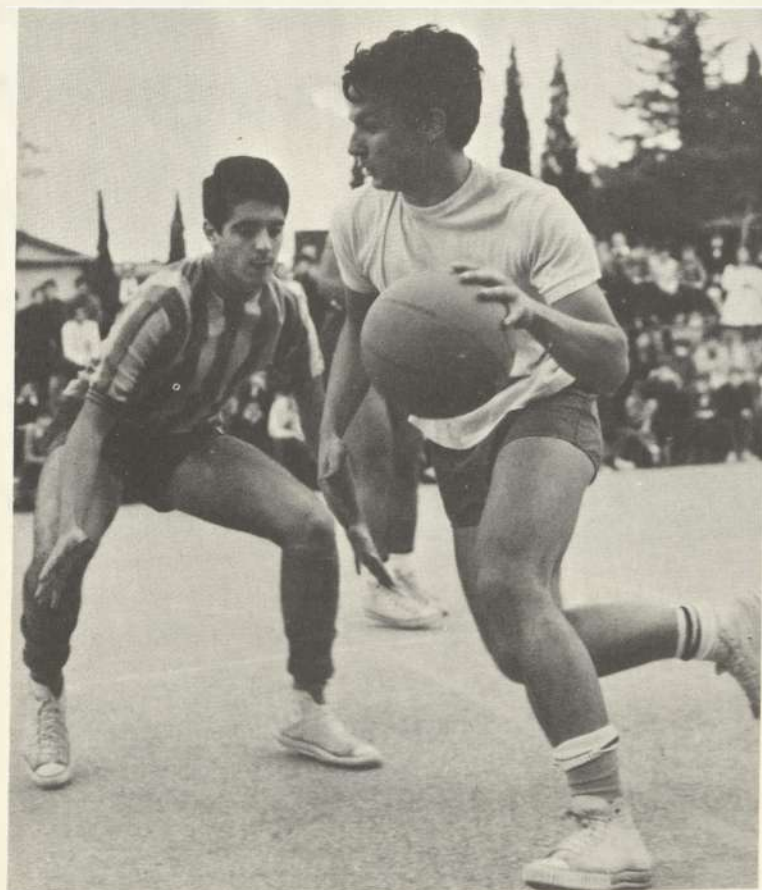

We passed many hours making telephone «farces».

Αι Νέαι Κεντρικαί μας Έγκαταστάσεις, από τας καλλιτέρας εις όλόκληρον τόν Κόσμον, είναι τό σύμβολον τής έκτιμήσεως τών πελατῶν μας. Ἡ ὑψηλή ποιότης τών αὐτοκινήτων - VW τό χαμηλόν κόστος τών ἀνταλλακτικῶν καί τής συντηρήσεως εἶναι οἱ παράγοντες τής ἐπιτυχίας.

The New VOLKSWAGEN CENTER for Northern Greece, one of the best in Europe, is a symbol of the confidence of our customers, to us, to the high quality of the VW-Car, and to the low cost of Service and Spare parts. This is our success.

E.T.E.A. Ltd. Sinikismos "PHEONIX" THESSALONIKI - GREECE. Telephone: 47-421 (10)

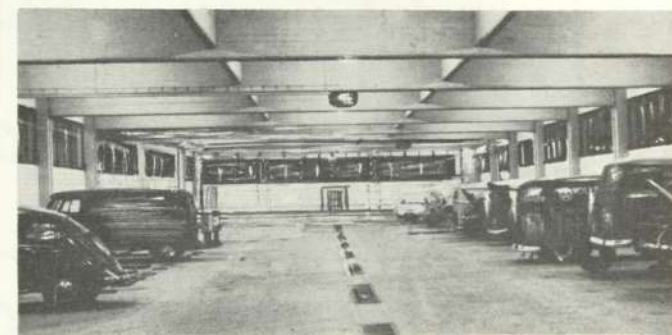

The reception area, for repairs and Service. There are more than 6.500 cards-index, for every VW - Car, in which we print every repair, service or inspection which has be done to it.

Ἡ αἴθουσα ὑποδοχῆς τῶν πελατῶν διὰ τὰς ἐπισκευὰς ἢ τήν ἐξυπηρέτησίν των. Περίπου 6.500 αὐτοκίνητα VW, ἔχουν τήν ΚΑΡΤΕΛΛΑ τους.

36.000 VW-Cars have been repaired and serviced last year in this workshop hall. The new equipment, the bodyshop and the new automatic paintshop offers a real "shop". The personnel productivity depends on the new methods of the "automation" of repair and service, and this decrease the cost.

Ένα τμήμα τοῦ συνεργείου. Τὸ 1970 ἐπισκευάσθησαν καί ἐξυπηρετήθησαν 36.000 VW.

The Show and Sales room. Our Salesmen, find out our Customer's hidden desires and ambitions, to makes you happy, when you will drive around, your new car so proudly.

Ἡ ἔκθεσις καί πωλήσεις. Οἱ πωληταί μας φροντίζουν νὰ ψυχολογήσουν τὸν ἐσωτερικὸ κόσμον τῶν ἀγοραστῶν, ὥστε τὸ νέο τους αὐτοκίνητο νὰ ἀνταποκρίνεται στὸ κάθε τι.

The most, but, important fact is the electronic "Diagnostic Center", which computes the points of the repair or service, which must be done. Acquainted with the electronic bridge of the "Motor tester and Brakes inspection" units.

Ἡ πλέον ἐνδιαφέρουσα τεχνολογικὴ ἐξέλιξις τῶν συνεργείων μας εἶναι τὸ αὐτόματον ἠλεκτρονικὸν ΔΙΑΓΝΩΣΤΙΚΟΝ ΚΕΝΤΡΟΝ καί τὰ νέα αὐτόματα μηχανήματα ἐλέγχου τοῦ κινητήρος καί τῶν φρένων. Προηγούμεθα διὰ τήν ἐποχὴν μας.

Our Customer's waiting room offers the most enjoyable relaxation, waiting for the repair or service of your car. The beautiful sight, the soft music, and the wonderful drinks, give you the pleasure and the joy of a distinctive...time out.

Αἴθουσα ἀναμονῆς. Πολυτέλεια καί ἄνεσι, θέα, ἀπαλὴ μουσικὴ καί ἐκλεκτὰ ἀναψυκτικά, σὰς χαρίζουν τήν πραγματικὴν ξεκούρασι περιμένοντας.

We grow older and older but always learning the new ways and methods of repairing and servicing the VW-Cars. Lessons and movies come straight from the VOLKSWAGEN factory, together with the professors who teach our personal.

“Γηράσκομεν ἀεὶ διδασκόμενοι”. Καθηγῆται τοῦ Ἔργου-στασίου VW, μᾶς διδάσκουν καί μᾶς προβάλλουν ἀπὸ τὰς νέας μεθόδους ἐπισκευῶν καί Σέρβις τῶν VW.

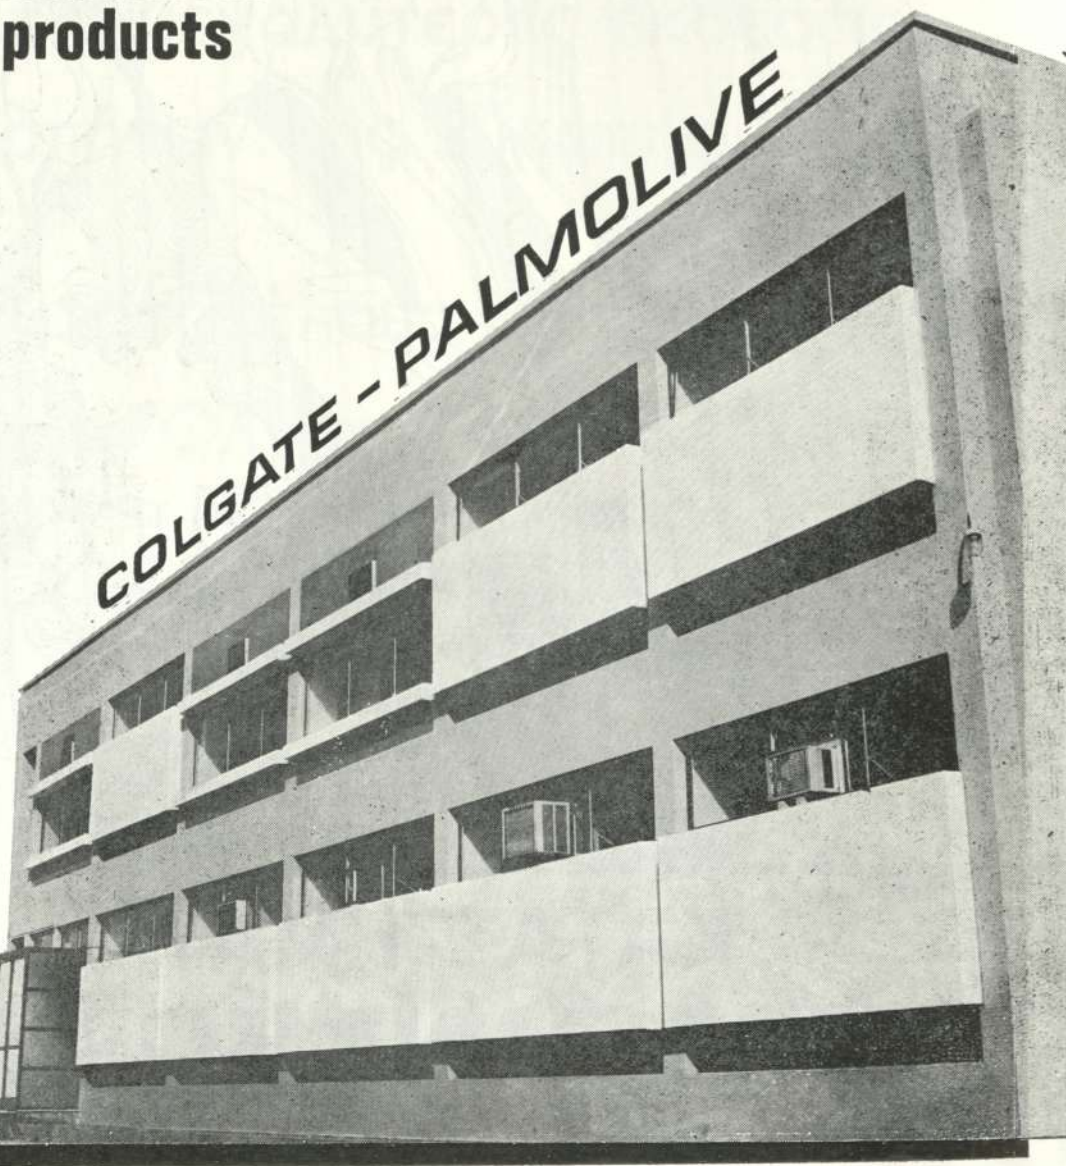

The bar. Oh, oh, yes!!! This is it. It is an art of copper and mirror-glass and expresses the sentiments of the "Beauties of the life"... The right place to forget (with the boost of a little alcohol).

Τὸ μὰρ. Μάλιστα, ἓνα ἔργο τέχνης. Μὲ τίς χαλκογραφίες του ἀπὸ τίς "Ὁμορφιές" τῆς ζωῆς σὰς κάνουν νὰ ξεχνᾶτε τὴν ρουτίνα σας, (καί μὲ λίγη βοήθεια τοῦ ἀλκοόλ).

ΑΠΟΚΛΕΙΣΤΙΚΑ ΜΟΝΤΕΛΛΑ MARIE MADELEINE - ΜΙΛΑΝΟΥ

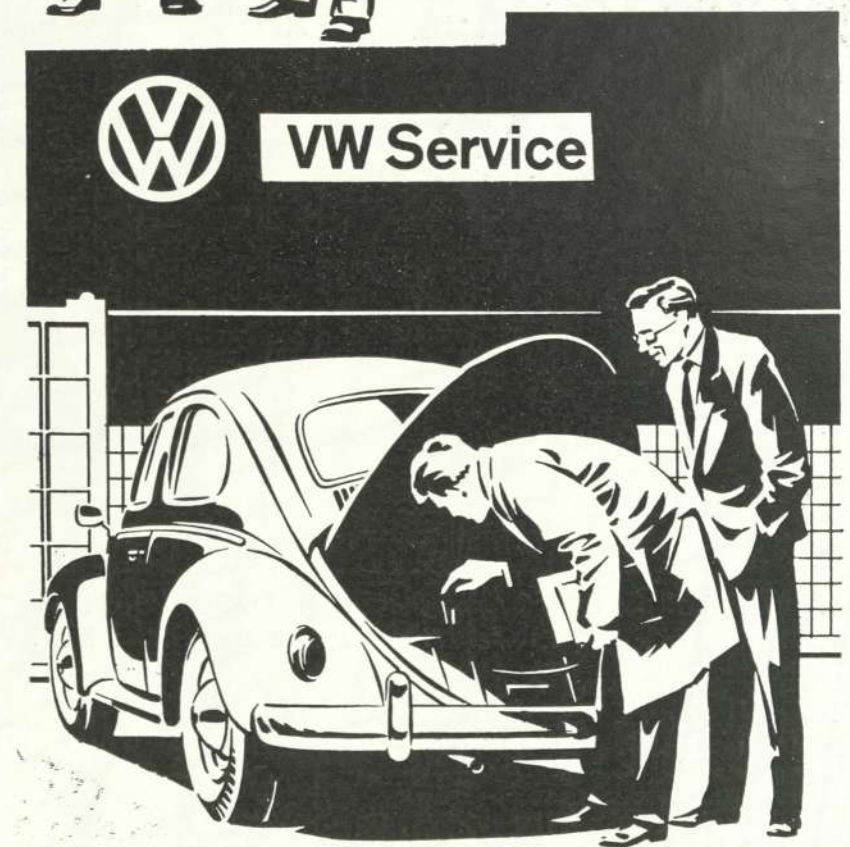

**It doesn't look like any other VW.
But it's built with the same care as every other VW.**

Not only does it not look like any other VW — it doesn't look like any other car. It has a personality of its own. Which finds expression in the functional line of its body and in the many sophisticated safety and comfort features it incorporates. But that's not all. Think of the individual front seats with their three-way adjustment. Or the thermostatically controlled two-in-one heating system. Or the flow-through ventilation. But that's still not all — not by a long chalk. You have to take a closer look to spot some of the other items. The safety door handles, for example. The super low section radial ply tyres. The profile bumpers for additional protection.

Or take a look at the VW 411's rear lights. They're curved round the sides of the body. Easier to see when you're turning in the road. So the VW 411 is an individual car. But although it may not look like any other VW, it's built with the same care as every other VW. With the same high quality material. With the same high quality workmanship. Which means it's reliable. It's tough. It's economical. It also means that we are not going to change it every year. We were never ones for change for change's sake.

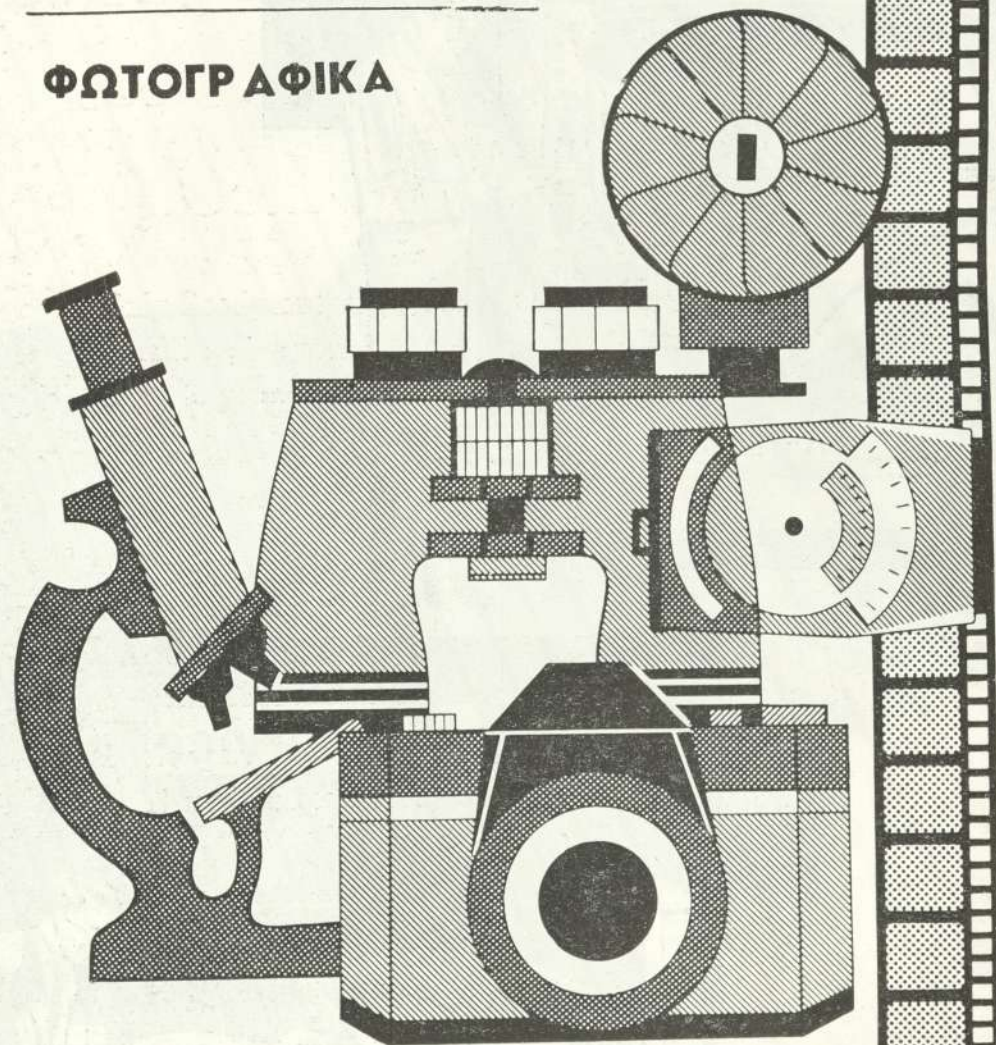

**VW Service comes with it.

Goodyear wrap-around tread protects those you care for most!

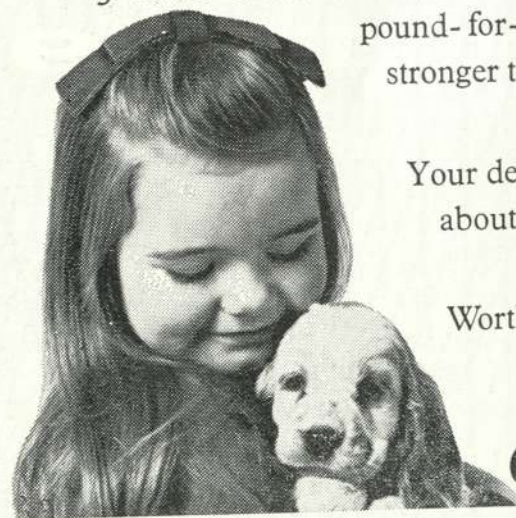

Only Goodyear tyres, cross-ply or radial, give you all three safety features:-

1. Exclusive wrap-around tread designs for safer cornering and braking.
2. New Tufsyn rubber with improved wet-skid resistance and extra mileage makes tyres last longer.
3. Three-T carcass cord,

pound-for-pound
stronger than steel.

Your dealer will advise you
about cross-ply or radial.

Worth taking care of.
